

PREPARATION AND PLANNING

Hands-on exercises to develop an upcoming presentation or improve a current one

1. Think of a recent, or upcoming, presentation. What information did you, or will you, find out about your audience?

2. What is your plan for connecting with the audience?

3. How will you use the analog approach as you plan a presentation?

4. Think of three recent talks you attended. Can you identify the core message of each?

5. List two ways you can demonstrate your passion for a topic.

6. Describe how you would avoid a data dump in your next presentation.
